PEWEE VALLEY CONFEDERATE CEMETERY

Reschedule Date - Friday, May 14th

Permission slips will go out again and children will need to wear their PE uniform (sweatpants or pants). We plan to leave the school at 1:50pm that day and return by 2:45pm. We encourage parents to join in this project. Our presentation by Mr. Gale was very informative and many of the students have expressed excitement to get over to explore and do the clean up. Our jobs will be split by grades and will include: 4th Grade and Under:

Clean out the fence line along the left of the cemetery as you enter.

5th Grade & Up:

Stack the logs/sticks and brush out of the way from the trees. Pick up trash and old silk flowers for trash.

TWO BIRDS WITH ONE STONE

VIA SALEM RADIO GROUP

Saturday, May 22, 2010

We are teaming up with Salem Radio Group and WFIA Radio for a service project. We will be having a car wash to benefit Cross International. In exchange for our manual labor, WFIA will promote the car wash and our school on BOTH its AM and FM stations in the weeks leading up to the car wash. The location is yet to be determined. Please let Cathy know if you have thoughts on a suitable and high-traffic location. We are tentatively thinking 10 am - 2 pm. The time will depend a bit on WFIA's ability to provide a remote broadcast. Sign-ups will be available in May. Please plan on reserving a two-hour block of time for Saturday the 22nd of May to help raise money for a worthy cause.

CCAA NOMINATIONS

We are still seeking nominations for CCAA Officers for the 2010-1011 school year. If you are interested in participating or would like to nominate someone else, please contact Cathy Mitchell or Kris Zoeller.

CCA UNIFORMS

Bridget at Educational Outfitters and Cathy have finally discussed the surveys some of you filled out last fall. Here's what she learned:

All uniforms from EO are guaranteed to last the school year. If you are dissatisfied with the wear of your items, you may exchange them for a new one. This means pants with worn knees and shirts with fleeing buttons. Here are the changes she's making for next year:

- Changing vendor for adjustable waist pants to try to improve durability of knees
- Ordering some 100% cotton pique polos...ask her if you'd like to try these
- If you order by the end of May, she'll have your order within 4 weeks. Avoid the end of summer panic and order early!
- June orders (end of May) receive 10% off
- Pre-embroidering polos so you won't have to wait on them
